COURSE REVAMP INBOUND: CTA 2.0

Our facilitator team has over 100 years of combined lecturing experience, lecturing some of the top passing graduates in various universities for well over 25 years. We know that no two students are alike. We know you have time constraints. We know that one size does not fit all and implementation of concepts and exam technique sometimes can be the difference between a pass and fail.

Simply put, it's about the experience of knowing.

After various student feedback sessions and requests, the EBSdotCOZA - Edge team is happy to announce that we are taking our tried and tested offering and revamping it to give our students even more of an edge over their CTA studies.

Our offerings have been re-engineered to give the maximum level of understanding and support, with a unique approach to suit the individual needs of each student.

Welcome to CTA 2.0

More information is available via our website.

In the meantime, you have any questions, please contact info@ebs.co.za.

***Please note that EBSdotCOZA tuition fees do not include UNISA fees. You must ensure that you pay your UNISA fees directly to UNISA before UNISA registration closes.**

EBSdotCOZA uses the Google online university platform to present study material to online students. Through this interface, online help is provided for over 60 UNISA modules.

These courses are either recorded classes of the full or part time lectures for the current and past semesters or may be courses that have been recorded within our in-house studio. Students will require data to access the online offering. The course will reference the current UNISA study material.

Note:

- Fees may be settled in full or on term.
- Payment on terms carries a 5% or 10% administration fee calculated on the sum of the tuition fees.
- There will be no extension of payment instalments, students registering after instalment dates have commenced will have recalculated fees over remaining terms/months allocated to specific payment plans.
- There will be an administration of R300 fee levied on declined/bounced Payfast collections for which the student will be liable and must be settled along with the amount in arrears before access is granted again.
- The administration fee of 10% will be waived if the account is settled in full by 29 February 2024. (excludes Mobicred)
- Post Test 1 discount prices are valid from 04 April 2024
